

# OUR ACCOLADES

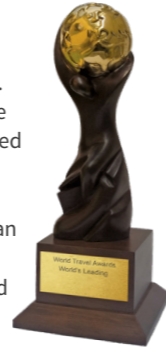

Throughout the years, The Beekman Group and The Holiday Club have proudly garnered many awards and recognition not only in the industry but also for our social, community and other initiatives. Here are some of the awards we are especially proud of.

## AFRICA'S LEADING TRAVEL CLUB 2019

We are proud to share that two of the Beekman Group's subsidiaries, The Holiday Club and Beekman Managed Portfolio (BMP) have been nominated for a **World Travel Award**, in the category Africa's Leading Travel Club 2019. Both these outstanding companies were singled out for product and service excellence, and for setting the bar high on industry standards. We are pleased to announce that BMP took home this award.

This award is something many aspire to but rarely succeed, so this is quite an honour for us. The World Travel Awards is a global award that serves as the ultimate hallmark of industry excellence. Needless to say, we are very proud of this achievement!
