

Below is your guide to when the 2016 weeks at your favourite resorts are most likely to come available for bookings!

**Why Do I Need This Guide?**

The various resorts listed below all have different timetables and administrative schedules. This guide will show you when you can expect to see 2016's weeks become available to the public. It also explains why you sometimes can't see availability for certain resorts when trying to make a booking too far ahead of time. By using this guide as reference, you'll be able to plan towards your booking and improve your chances of getting the week you really want.

**How To Use It?**

Search for your preferred destination on the list below. The months that appear in the relevant column indicates the months that these resorts will make their 2016 weeks available. You can contact us to secure your 2016 week around this time (subject to availability).

*Please note: The dates shown are intended as a guideline and The Holiday Club cannot be responsible for any third party inaccuracies.*
